

# HOW TO BET GOLF

The most basic form of golf betting involves picking the winner of a tournament. The Odawa Casino Sportsbook will list Money Lines on several individual golfers along with a field (all others) option, at various odds.

For example, Rory McIlroy may be listed at 2-1, Bubba Watson at 25-1, Tommy Fleetwood at 100-1, etc. If you bet \$10 on Watson at 25-1 and he goes on to win the tournament, you win \$250 plus your \$10 back, for a total payoff of \$260.

## EXAMPLE:

BET	GOLFER	ODDS
94001	Rory McIlroy	2-1
94002	Bubba Watson	25-1
94003	Tommy Fleetwood	100-1

**MATCHUP PROPOSITIONS:** Another popular form of golf betting involves matchup propositions, in which two golfers are paired against each other in a head-to-head wager with a betting line on each golfer. The golfer with the better (lower) score wins the matchup. If one golfer continues play in the tournament after his opponent misses the cut, the golfer who continues play wins the matchup.

For example, a matchup may pit Watson (-125) against Rickie Fowler (+105). If you bet \$125 on the favored Watson, the payoff would be \$100 plus your \$125 back, for a total of \$225. If you bet \$100 on the underdog Fowler the payoff would be \$105 plus your \$100 back, for a total of \$205.

## EXAMPLE:

BET	GOLFER	ODDS
92001	Bubba Watson	-125
92002	Rick Fowler	+105

**GROUP PROPOSITIONS:** Some matchups pit one (usually very good) golfer against two or more others. For example, McIlroy may be pitted against Bubba Watson, Jason Day and Jordan Spieth. To determine the winner, the lowest score of the entire group is considered the winner. Extra Holes count towards determining a winner in Matchup.

In major tournaments, the Odawa Casino Sportsbook may offer odds on golf propositions, such as the Over/Under on the winning score, the Over/Under on the lowest round by any golfer or the Over/Under on the finishing position by a particular golfer. For example, the Over/Under on McIlroy's finishing position may be 3 ½. If he finishes first, second or third in the tournament, the "Under" wins; if he finishes fourth or worse, the "Over" tickets win.

Your golfer must tee off in the tournament for "Action" (meaning once he tees off, you will either win or lose your bet). If for some reason he does not tee off, this is usually considered "No Action" and tickets are refunded.

In head-to-head matchup propositions, both golfers must tee off for Action.

**OFF THE BOARD PARLAYS (FOR ALL SPORTS):** These wagers are calculated using true odds payoffs. If you bet four teams off the board and all of them are listed at -110, your payout would be 13.3 for 1, which is more generous than the parlay card payout of 12 for 1.
